Important Update: End of Daylight Saving Time

2025-10-27 - Pavla from Support - Trading Activity Information

Dear Client,

We want to inform you about the upcoming Daylight Saving Time (DST) changes and how they affect trading hours:

• **Europe & UK:** DST ends on October 26, 2025, with clocks moving back by 1 hour

• **USA:** DST ends on November 2, 2025, with clocks moving back by 1 hour

 The changes will affect trading hours between **October 26 and November 2, 2025.** After these dates, normal trading hours will resume.

Please visit **our blog** for more information on how specific asset classes will be affected.

If you need any assistance or have questions, our team is here to help. Don’t hesitate to get in touch.

Best regards,

The FXGlobe Team
