Important Update: Beginning of Daylight Saving Time

2024-03-08 - Lucas From Support - Trading Activity Information

Dear ,

We want to inform you about the upcoming Daylight Saving Time (DST) changes and how they affect trading hours:

• **USA:** DST starts on **March 10**.

• **Europe & UK:** DST begins on **March 31**.

• **Australia:** DST starts on **April 7**.

 Trading hours will be affected between **March 10 and April 7, 2024**. Normal trading hours will resume afterwards.

Please review the trading hours information on our website.

To help you adjust, our team is here to assist with any questions or concerns. For further assistance, don't hesitate to contact us.

Best regards,

FXGlobe team
