

Big News: NVIDIA's 10-for-1 Stock Split is Here!

2024-06-05 - Lucas From Support - Trading Activity Information

Dear,

Have you heard? NVIDIA announced a 10-for-1 stock split.

What's Happening?

NVIDIA (\$NVDA) stock will undergo its sixth stock split, trading at one-tenth the price starting June 10, 2024.

What Does This Mean for You?

- **Increased Shares:** For every 1 (one) CFD share you hold at market close on June 7, you'll receive 9 (nine) additional CFD shares.
- **Adjusted Values:** Open price, take profit, and stop loss values will be divided by 10 (ten) on any open position(s).

Example:

If you hold 1 CFD share at today's price of approximately \$1,096.33, you will have 10 CFD shares priced at \$109.63 after the split.

Dates to Know:

- Extra CFD shares distributed after market close on **June 7**.
- Trading of NVIDIA stock on a split basis begins **June 10**.
